

FUNDRAISING

Dear Parents,

As you all know, fundraising is a big part of the money earned for the park. Fundraisers help the booster club provide the end of season trophies and banquets, cheer camp and shirts, new equipment for the football players, among many other things to help the county improve the park. The major event that the fundraising helps with is "Homecoming" held in October each year. The children receive recognition and awards for bringing in a certain amount of money and it has been very successful for several years. In the past, we have done sponsor signs and Home Interior, which we will have again this year. Each fundraiser is explained below.

Sponsor Signs: Sponsor sheets are available at the office for businesses to buy or renew signs. 3x4 (2) color signs are \$250 and 3x4 full color graphic signs are \$500. If a business wants to renew their sign it will be \$125.00. Boys and girls will be credited individually for a business sponsor sign towards their awards total, and they will become Homecoming King or Queen for \$500 signs.

Program Books: Program books will be sold the day of homecoming. They will have all the team photos in them along with some action shots and business ads. ¼ sheet ads are \$50.00 and half sheet ads are \$100.00. Your child will get credit the full amount.

Home Interior: Candle forms will be passed out by the coaches. This is another way of raising money if you do not get sponsor signs. For the dollar amount brought in by your child they will get credited half towards homecoming. So for example if your child sells \$100.00 worth of candles they will get credited \$50.00 and the \$50.00 level award.

Papa Johns: Papa Johns coupons will be passed out by the coaches. The coupons are \$10.00 for a sheet and your child will get credited half towards homecoming.

Spa Packages: Spa packages will be sold for \$20.00. The details on this will come a little later. Your child will get credit for the full \$20.00

Engraving Creations: This a way to get personalized items for your child and also get credit for homecoming. You will get 20% credit of all sales. So if you sell \$100.00 worth of items you will get \$20.

Fundraising worked very well last year and the children had a great time. They received many awards at Homecoming, (Tiaras, flowers, medallions and trophies, etc.) and beautiful end of season trophies.

Thanks,

The Booster Club
